

Bring your own Cow (Beef or Dairy) to Camp

Windham-Tolland 4-H Camp 2016

June 26-July 1

This year a new adventure for the young cattlemen and women with an emphasis on improving each camper's showmanship skills, working with each child on an individual level building confidence for the upcoming show season. A fitting day to help fine tune how to make your animal look the best for showday; Guest fitters to work on each animal and give helpful hints; a visit from a Tufts Veterinarian to review vaccinations and nutrition, and show requirements. A number of Champion Showmen sharing their experiences and giving advice; A short presentation on genetics and their importance in selecting good bloodlines to get quality offspring and a visit from experienced Judges.

Stalling and bedding is available for the week, you must provide feed
