(seats 270)

Our recently renovated lodge is just one of the many options for your event. Built with local field stone in 1954, the hearth makes a beautiful backdrop for your special day.

The main floor of the lodge is finished hardwood with a variety of lighting selections accenting different areas of the room.

A pull down screen is flush mounted in the ceiling and may be used for video presentations.

The downstairs of the lodge has 2 large sections that are perfect for workshops, team building experiences and more.

Whether you'll be cooking for your group or bringing in a caterer, our state-of-the-art kitchen will meet your needs.
